3 The amount was drawn from the Treasury on contingent bills on the 25th and 29th June 29, and was therefore finally charged off in the accounts of June 1929. There is therefore no need for any instructions in this matter as suggested by the Revenue Commissioner.

4. It has, however, to be stated in this connection that it was irregular to have drawn the amount when it was not required for immediate payment and to have purchased and paid for them directly in contravention of the rules regulating purchase of stores and payments ~~Purchases~~, and that explanation has been called for in regard to the irregular procedure adopted.

SIR,

Adverting to G.O.No.Comp.-7/Muz.75-28 dated 14th June 1928 sanctioning a re-appropriation of a sum of Rs.5800 out of the ------ Ayurvedic and Unani College, Mysore for the last year up to Rs.[illegible] for certain non-recurring expenses of the college in order to equip the same fully, I have the honour to forward herewith copy of Vice-President's letter No.M.I.172 dated 31st July 1928 reporting that only a sum of Rs.1134-13-7 was spent during the month of June 1928 out of a sum of Rs.3807-0-7 drawn on 29th June 1928 but that payments were continued to be made up to 28th July 1928 leaving Rs.350/- --- unspent out of the balance of Rs.3672-4-0 and the same was spent--- drawn in the D.C.Bill in July 1928 and requesting that since the --- final Government Order sanctioning the re-appropriation was received only on the 14th June 1928 and it is not possible to get all the articles before the end of that month and close the accounts finally for the year, the money caused by the adjustment of last years' funds may be over-looked and the payments due in July 1928 due to [illegible] last years' grants.

In the circumstances explained by the Vice President, I request that the Comptroller may be kindly instructed to admit the payments

Letter No.M.1.179, dated 3rd July 1929 from the Vice Presid
yurvedic & Unani College, Mysore to the Muzrai Commissioner in Mys

---

I have the honour to state that a sum of Rs.3,807-0-7 w[illegible] drawn from the Treasury on 29th June 1929, and that out of it, a um of Rs.1,134-12-7 was expended during June leaving a balance of s.2,672-4-0 for payment against orders placed for the supply of rticles, not complied with before the close of the official year. t was pointed out that it was not in order to have drawn money in une last against items of expenditure which could not, with [illegible] ertainty, be calculated upon to be expended during that month, and he Head Master was asked to refund the balance remaining with him.

Excluding all payments made up to 28th July 1929, a balance of Rs.250/- was left out of the said sum of Rs.2,672-4-0, and the same has been short-drawn in D.C.Bill No.11 dated 29th July 192[illegible].

The increased grant of Rs.35,000 to the College was sanctioned during 1928-29 and reappropriations of the Budget allotments had to be proposed in the light of requirements for the proper equipment of the college, the dispensary and the In-patient wards. The -- final re-appropriations were possible to be fixed up only in the latter part of the year and sanction thereto was received on 14-6-1929 (vide Government order No.Muz.Camp5-7/Muz.75-28 dated 14-6-29 Hence it was not possible to get all the required articles before the end of June last and close the accounts on 30th June 1929.

In these circumstances, I request that the unavoidable delay in the adjustment of last year's Funds may kindly be overlooked and instructions issued to admit in accounts the payments made in July 1929 against last year's grant.
